Dear Friends and Alumni,

Happy Spring!

It's been an exciting year for the Boys and Girls Club of Meriden. September's Golf Tournament was a great success, our Summer Camps flourished and the programs here at the Club expanded and improved. You'll be impressed to know that we are now serving 1,785 youths per year with an array of programs designed to improve their status academically, physically and emotionally. It's a great time to renew your membership or become a new member of the Boys and Girls Club of Meriden Alumni Association.

Since its inception 30 years ago, the Alumni Association has donated over \$552,252 to support the Club. This money has directly improved the lives the children who attend and we have **you** to thank for it!

The annual dues for becoming a member of the Alumni Association are twenty dollars, with 100% of the dues money collected going directly into the Alumni Association Fund, which in turn supports all of the Club Kids we help each and every year.

Please fill out the enclosed member registration form and include the amount of \$20 for each member registering or go to bgcmeriden.org and click on "Donate" in the top right corner and make sure to indicate in the comments section that it is for Alumni dues. Also, in order to improve communication with our members please provide your e-mail address if you have one. Thank you very much for your support!

Sincerely,

Krystle Blake
